SOCKS GETTING REAL DREAM

Design Guidelines

Not all patterns and logos are suitable to knit. One stitch is approx. 1mm wide, therefore lines thinner than 1mm cannot be converted. Color gradients and shading are also not possible for technical reasons. The cuffs, heel and toe must remain plain.

No patterns on cuff, heel and toe

No colour gradients

No shades or fine drawings

No more than 9 colors in total

No detailed logos
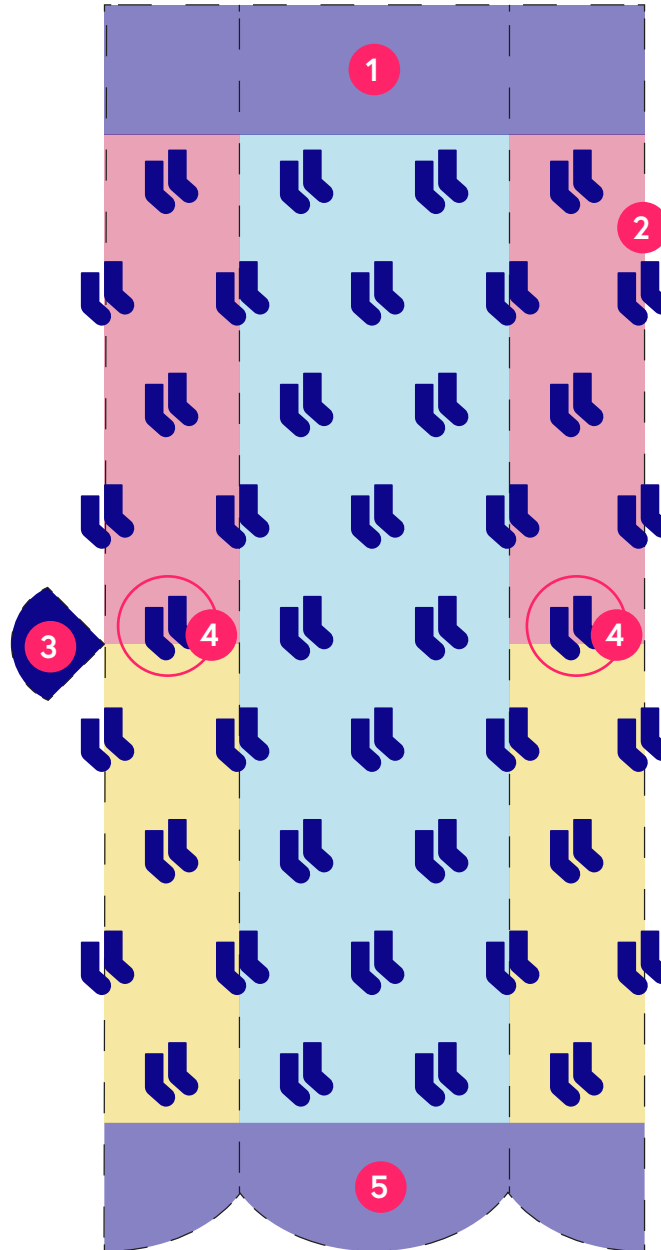

Contours are min. 1 mm thick

Letters are higher than 5 mm

No more than 5 colors in a row

Template

The cuff must be plain

The pattern should have a seamless transition at the back

Fill in the heel color here

These elements will be split by the heel
